
INTEROFFICE MEMORANDUM

TO: LAUREN FRENCH, SUPERINTENDENT
FROM: CAROL LASALA, BUSINESS MANAGER
SUBJECT: NATURAL GAS BID
DATE: NOVEMBER 5, 2018
CC: BOE

We currently purchase natural gas and the delivery from St. Lawrence Gas. I inquired of Amy Pastuf, Cooperative Purchasing Agent, St. Lawrence-Lewis BOCES the possibility of participating in a natural gas bid to possibly reduce costs for the district. We are not able to participate with the St. Lawrence-Lewis schools because we are not on the same delivery line. We are able to jump onto the Jefferson-Lewis schools bid. Ryan Lerch, Sprague Operating Resources, LLC has reached out to me and provided a fixed price of \$0.286 per therm from December 1, 2018 through October 31, 2019. The end date will coincide with the next bidding period. We are currently paying between \$0.773 and \$1.058 per therm. The fixed price will result in significant savings for the district.

I recommend the Board approve the bid from Sprague Operating Resources, LLC for the natural gas commodity at a fixed price of \$0.286 per therm for the period December 1, 2018 through October 31, 2019.
