SUBJECT: CONTINUING EDUCATION

The Gouverneur Central School District shall provide a Continuing Education program.

The Superintendent of Schools shall recommend to the Board a Director of Continuing Education. It shall be the duty of the Director of Continuing Education to ascertain the needs and desires of the citizens of the District for courses, to select teachers, and to arrange for suitable rooms and facilities in the District buildings, to plan and supervise the program and to submit the program and staff to the Superintendent of Schools for approval.

Under special conditions and only with the approval of a parent, day School Principal and continuing education director, students currently enrolled in the day school program may register for courses offered through the Gouverneur Central School District Continuing Education Program. Their enrollment is to be accepted only after all the needs of the out-of-school adults wishing to register for the courses are satisfied.
