

Meal Pick-Up

Gouverneur Central School has scheduled meal kit pick-ups on Wednesdays between 10:00-12:00pm for those families who completed the online pre-order process. Families will be able to submit a weekly pre-order starting September 3rd.

Pre-orders must be made **weekly** to receive meal kits. The pre-order form will open every Thursday with a deadline of every Monday at 10 a.m. in order to receive meal kits for the following week.

There is no cost of the meal kits to students.

The new online ordering allows for parents and/or family representatives to pick-up meal kits without their students having to be present. Families will need to order meals using the google order form. The form needs to be filled out weekly so we can order a sufficient quantity of food.

When parents and/or family representatives arrive at the pick-up location, they will confirm with a staff member whom they are picking up for.

If you do not have access to the internet or have questions, please call 315-287-1690. Families with internet access, please email concerns to hollis.heather@gcsk12.org
