Dear Wildcat Families,

Registration for the 2026 fall sports season is open!

We are excited for this upcoming season of educational-based athletics. This letter aims to inform you of the process required to register your student-athlete(s) for a sport for the upcoming season. To successfully register for a sport, the following steps must be taken:

1. PHYSICALS

All students must have a valid physical to participate in interscholastic athletics. Physicals must not be older than one year prior to the 1st day of the sports season start date. Physicals **must be on file** in our health office **before** a student can participate in a sport. Physicals can be delivered in person, faxed, mailed or emailed to the Athletic or Health Offices.

2. ONLINE REGISTRATION PROCESS

We offer the convenience of online registration through [Arbiter Registration](#). If you already have an account click "Log In," **do not sign up for a new account**. If you cannot remember your account information, Arbiter support can help you with that.

First time users: [Sign up for Arbiter Registration](#)

- Sign up for your secure Arbiter account by entering the account owner first and last names (parent/guardian), e-mail address and password.
- Select the agreement to the Arbiter Terms of Service and click sign up.
- You will receive an email with a link to activate your new account. (If you don't see the email, check your e-mail filters... spam, junk, etc).
- Click on the link in your activation e-mail, which will log you in to Arbiter.

ADDITIONAL NOTES / FAQ

- There is a minimum number of practices each student-athlete **must** fully participate in before being eligible to participate in scrimmages or games. Football requires **10**, while all other fall sports require **6**.
- Any 7th or 8th grader who has been recommended by a coach to try out for a high school level team must first register and pass the APP test. This process is to be initiated by a high school level coach. Students cannot test without prior district approval.
- Please register your student-athlete for the competitive level that matches the grade they are in for the 2026-2027 school year.
