IV. DISCUSSION

A. Presentations

1. FFA update on National Convention

FFA members Briahna McGill (grade 12), Rose Cox (grade 11), and Hannah White (grade 10) shared highlights from their National FFA Convention experience that took place from October 26 – November 1, 2025, in Indianapolis, Indiana. Ms. White also had the distinction to participate in the National FFA Band that played at the Expo Opening. Briahna and Rose talked about en route stops that included Oakfield Corner (Batavia, NY); Ghostly Manor Thrill Center (Sandusky, OH); Jaws and Paws (Lynnwood Kennels) (Fremont, OH); Hobart Institute of Welding (Troy, OH); Jungle Jim’s (Fairfield, OH); The Yards (Lexington, KY); Hartfield & Co. and Claiborne Farm (Paris, KY); and a tour of the University of Kentucky-Lexington.

2. Capital Project update – Cory Wood, Executive Director of Operations & Personnel

Phase 1 at the middle school paused outdoor work on the track and field in November and will continue when the temperatures allow, while indoor work continues in building A. Phase 2, the high school and bus garage, is currently focused on completing the 2<sup>nd</sup> and 3<sup>rd</sup> floors plus the band and chorus rooms in the Dolan wing. The Project is still on track, with ductwork, wiring, fire system, and new grid work on the 3<sup>rd</sup> floor. At the bus garage, the diesel gas tank is started, and the inside renovations are on schedule.

B. Communications

School Board Candidate Petition Packets are available from District Clerk

C. Wildcat News

Superintendent Kelly shared a mid-season update on our winter sports teams.

D. Upcoming Events

Superintendent Kelly reminded those present that school will be closed February 16-20 for Mid-Winter Break, and the next Board meeting on March 9 will be held at the Middle School Cafeteria.

## V. FINANCIAL REPORT

### A. 2026-2027 Budget:

#### 1. Property Tax Cap Calculation

*(See Sheet #1, Board Minutes File Folder)*

Business Manager Munn related that maintaining the tax cap at 2% as in previous years will support the 2026-2027 budget priorities. Responding to Trustee Ormasen, Mr. Munn estimated that there would be around a \$10 increase to the average household, depending on other factors. All board members present agreed to proceed at 2% and directed Mr. Munn to submit that number to the state.

#### 2. 2026-27 Budget Priorities

*(See Sheet #2, Board Minutes File Folder)*

Business Manager Munn shared the priorities that were established from meetings held with the administrative teams from each building and the department heads (Athletics, Buildings and Grounds, Health, IT, and Special Education). Mr. Munn stated the primary goals were to continue to align budgetary decisions with our mission statement, and to maintain the services currently provided. He reviewed the three (Administrative, Capital, and Program) budget components. During discussion on Capital component items, Mr. Munn shared data collected in the recent bus survey on single- and double-tripping as it is directly related to the goal of maintaining services currently provided. He stated information was gathered from all constituents. Twenty-four of our bus drivers responded, with one-third saying double-tripping would force them to look for employment elsewhere. Teachers and staff who responded were largely in favor of single-tripping, and the district appreciates the convenience this would provide for our employees. For parents who currently utilize transportation, it was evenly split between those in favor of double-tripping and those against; however, many in favor of double-tripping would discontinue using the transportation if we went to single-tripping, especially those with Elementary students. Therefore, in terms of aligning budgetary decisions and maintaining our services, the district will keep the current double-trip model for transportation. Responding to questions about the bus survey, Mr. Munn said drivers who indicated they would leave employment would do so for financial reasons; most routes would change from 6-hour to 4-hour bids. That's significant to the district maintaining services, as single-tripping requires new routes and additional drivers. The largest remark from all drivers was student behavior and concerns about mixing student age groups and fear of something going wrong. He confirmed that not all buses currently have a monitor. The Capital component also references additional equipment and supplies needed to maintain the new fields and concession stand, wrestling mats, and snow and ice removal equipment. Mr. Munn also explained an increase in debt service and the corresponding BAN interest and principal payments related to the Project. Program component recommendations were focused on maintaining the district services currently provided and continuing all the social emotional initiatives we've done over the last few years. A new recommendation was introduced for increased athletic supervision to provide support during "Friday Night Lights" games. At the building levels, there is discussion about possibly discontinuing the 8:1:2 CPSE program at the Elementary School due to declining enrollment; and moving the 8:1:1 Special Education program in the Middle School to the High School to reflect the needs of current students. Regarding the Special Education classrooms, Superintendent Kelly clarified they are continuing to do projections but currently students in the Middle School in 2026-27 will have aged out or mainstreamed. The CPSE 8:1:2 at the Elementary School is a county program with two students slated to return next year, and neither of them are Gouverneur students. Mrs. Kelly added that we also must think about our teachers; program intensity has been linked to higher burnout rates, and we want to do what's best for our teachers too. Continuing with the Programming component, Mr. Munn said the High School regional summer school remains a priority, as well as funding the new College Access COSER. If the Board supports it, it will enable the district to pay for students' college coursework and receive corresponding BOCES aid. Comments from the Board included Trustee French requesting numbers to continue support of the summer sports programs. With no further discussion, Mr. Munn stated he would share the first budget draft at the next meeting.

### B. Financial Report – January 2026

*(See Sheet #3, Board Minutes File Folder)*

Under Revenues, the state executive budget projections showed a 2.42% increase in foundation aid for Gouverneur. However, some of these revenues will be offset by a reduction in funding due to a decrease in our average daily attendance since last year. There is also an expected increase in UPK funding, but this also comes with conditions that will offset some of the gains. In terms of Expenditures, electric costs have increased significantly over the last month, including a one-time cost of \$133,000 from the Capital project at the High School to service all the electrical changes in that building. Regarding the Fund Balance, the solar consortium capital fund is now established to set money aside for future re-powering needs. Follow-up discussion topics included geothermal heating and electric buses. It was noted that both of our electric buses are currently off the road due to temperatures and heater issues.

## IX. NEW BUSINESS

A. Board Review of Parental Complaint dated January 9, 2026

(See Sheet #13, Board Minutes File Folder)

Upon presentation and recommendation of Superintendent Jacquelyn L. Kelly, motion made by Trustee Spicer, and seconded by Trustee McGregor, that the Board of Education approve the following Response to the Parental Complaint dated January 9, 2026. *The Parental Complaint is attached to the Minutes as Sheet #13.*

WHEREAS, the District requires parents and residents to follow the District's chain-of-command when presenting concerns to the District; and

WHEREAS, Board Policy 3230 authorizes Board review of a complaint or concern that has not been resolved after presentation under the chain-of-command; and

WHEREAS, the District implements classroom temporary relocation procedures when a student is unable to remain regulated, such that classmates leave the classroom and relocate to a "buddy" classroom to continue with their instructional day until such time as they are able to relocate to their home classroom; and

WHEREAS, due to the privacy and confidentiality rights of students, information about temporary classroom relocations is not routinely provided to parents or guardians; and

WHEREAS, the Superintendent of Schools has conferred with the Office of Early Learning within the New York State Department of Education about its classroom temporary relocation procedures, and has been advised that its procedures (including not routinely making notifications to parents or guardians of the students who were temporarily relocated to a "buddy" classroom) are appropriate and consistent with applicable laws, rules and guidance; and

WHEREAS, parent Selena Bush has requested the District implement a notification process such that parents and guardians are advised when their child has been temporarily relocated to a "buddy" classroom; and

WHEREAS, Ms. Bush has been advised by the administration, including the Superintendent of Schools public statement on October 20, 2025, that upon consultation with NYSED, and review of applicable laws, rules and regulations governing the privacy and confidentiality of students, the District will not notify parents or guardians when their child is temporarily removed to a "buddy" classroom, as doing so could serve to identify matters confidential to other students and their families; and

WHEREAS, in an email dated January 9, 2026, Ms. Bush requested the Board of Education review and respond to her request for classroom temporary relocation notifications; and

WHEREAS, as required by Board Policy, the Board wishes to acknowledge its receipt and response to Ms. Bush's request.

NOW, THEREFORE, it is resolved, that Ms. Bush's January 9, 2026, request for notifications to parents and guardians when their child is temporarily relocated from a classroom, due to another student being unable to regulate and participate in the academic environment, is received. Due to the Superintendent's work with the Office of Early Learning at the New York State Department of Education in response to Ms. Bush's requests, as well as the existence of laws, rules and guidance governing the privacy and confidentiality of student-related matters, the District will not be modifying its current practices or protocols.
