To the Residents of Gouverneur Central School District:

On April 16th, the Gouverneur CSD Board of Education unanimously adopted a proposed budget for the 2018-2019 school year in the amount of \$36,676,839. This represents a spending increase of \$1,749,239 over the 2017-2018 school year or an increase of 5.01% in expenditures. The tax levy will increase by \$316,232 or 5.35% which is compliant with the tax cap limit. Looking at a typical \$60,000 assessed value home with basic STAR in Gouverneur, the estimated cost will be an increase of \$20.61 this year.

In developing the budget for the 2018-2019 school year, we have again focused on programs for students and safety concerns for our students and employees. In response to the needs of our school community, we will replace positions opened by retirement, add a School Resource Officer and a second Licensed Clinical Social Worker. The additional new staff will work with administration to keep our students and employee populations safe and address the increasing number of students who need support. The academic replacements will keep class sizes at sound instructional levels and increase opportunities for students. Our goal is to support all scholars with early interventions so they have a solid foundation for their future academic programs in a safe and supportive environment.

We will continue to support the Agriculture Academy which is housed at Cornell Cooperative Extension Farm. The students who participated in the program this year indicate their experience was of exceptional quality and encouraged us to keep this as an option for future students. We will also continue to support the PACE program at the Edwards-Knox school which meets the needs of learners in a project-based learning environment. We all have goals, skills, abilities and talents and it is incumbent upon schools to find the right fit and meet the needs of all our scholars.

Our academic program continues to grow with additional SUPA (Syracuse University Project Advance) Classes. These classes provide college credit for students and the academic challenges some students need to be prepared for post-high school education. We are also expanding our DL (Distance Learning) Programs.

We will continue to support the Southwest Tech (SWT) Center as the careers around automotive, construction, welding, electrical and human services will continue to provide employment opportunities for our highly motivated scholars. We support SWT with an enrollment that approaches 125 students.

I, along with the Board of Education, staff and students appreciate the community support that is demonstrated in a variety of ways. Your support and presence at events reminds me how important each person is in the education of the scholars within our school. Everyone has something to add. A prime example is the Maple Sugar House and the production of gallons of syrup. That would not be possible without the support of many community members and the maple trees in their yards and on their properties.

Please take time to review this budget document and feel welcome to attend the Budget Hearing on May 7, 2018 at 6:30 p.m. in the High School cafeteria. Voting will take place on May 15, 2018 from noon to 8:00 p.m. in the High School Auditorium.

If you would like additional information, feel free to contact my office or any member of the Board of Education. All of us would be pleased to answer your questions or concerns.

Lauren F. French
Superintendent of Schools

GOUVERNEUR CENTRAL SCHOOL DISTRICT

2018-2019 PROPOSED BUDGET

This budget is presented in three parts, as per Sections 207 and 2601-a of the Education Law and as amended by Section 15 of Chapter 171 of the Laws of 1996.

Administrative Component Includes:

Board of Education; district clerk; district meeting; chief school administrator; business administration; auditing; treasurer; tax collector; purchasing; fiscal agent fees; legal services, except those relating to the program component; personnel services; records management; public information services; curriculum development and supervision; research; planning and evaluation; supervision – regular school; supervision – special schools; central data processing; central printing and mailing; central storeroom; special items; judgments and claims; and employee benefits attributable to salaries included in this component.

Program Component Includes:

In-service training instruction; teaching – regular school; programs for students with disabilities; occupational education; teaching – special schools; school library and audiovisual; educational television; computer-assisted instruction; attendance; guidance; health services; psychological services; social work services; pupil personnel services; co-curricular activities; interscholastic athletics; district transportation services (excluding bus purchase); contract transportation; recreation; youth programs; civic activities; employee benefits attributable to salaries included in this component; transfers to school lunch and special aid funds; and legal services relating to the program component. The 2018—2019 fiscal year is the fifth year in a five year contract with First Student, Inc. The District will be re-negotiating the transportation contract in the fall of 2018.

Capital Component Includes:

Operation and maintenance of buildings; school bus purchase; debt service; transfers to capital and debt service funds; tax certiorari; judgments and claims; and employee benefits attributable to salaries included in this component. This budget includes a transfer to Capital Fund in the amount of \$143,300. The \$43,300 is for a cash project at Gouverneur Elementary for a new sewage station. The \$100,000 is for a Capital Outlay Project at the High School consisting of minor renovations, such as door replacements. This Capital Outlay work will be done during the 2019-2020 fiscal year.

Summary of Components for the 2018-2019 Proposed Budget:

	2017-2018 <u>Proposed Budget</u>	2018-2019 <u>Proposed Budget</u>	Increase or <u>(Decrease)</u>

TOTAL GENERAL FUND	<u>\$34,927,600</u>	<u>\$36,676,839</u>	<u>\$1,749,239</u>

We are designated as a small-school, high needs rural district. Recognizing the necessity to provide students in high needs districts with quality educational programs and opportunities, every effort has been made by the administration, staff and Board of Education to minimize cost in this budget year.

Every effort has also been made to propose programs which are needed by our students that are affordable and sustainable by our taxpayers.

The Property Tax Levy Cap is 5.35%. We have utilized monies from our reserves and unappropriated fund balance to keep the tax levy increase at the tax cap and still maintain a high-quality curriculum for our students.

BOARD OF EDUCATION VACANCIES

For the 2018-2019 school year, three vacancies will occur on the Board of Education. These vacancies are each for three-year (3-year) terms. Positions on the Board of Education are not considered separate, specific offices and the nominating petition does not describe any specific vacancy upon the Board of Education for which the candidate is nominated. Therefore, those three candidates getting the most votes from the entire field of candidates will be elected to fill the three vacancies on the Board of Education, effective July 1, 2018.

CANDIDATES FOR THE BOARD OF EDUCATION

(Listed in Order of Placement on Ballot)

William Hay

I have two daughters, both of which are teachers. I have lived in Gouverneur most of my life. I owned and operated a dairy farm for 20 years and have a construction business that has been in operation for 20 years. I graduated from Gouverneur High School in 1969. I have done many negotiations to incur contracts.

I am interested in serving as a Gouverneur Board of Education member because I feel with my construction background I can be of help with budgets. I also feel I may be able to help with safety issues at the schools.

Laura Spicer

I am a graduate of Gouverneur Central School. After high school I obtained my Physical Therapy Assistant License. I have been practicing as a Physical Therapy Assistant for 17 years, working in schools, homes and out-patient facilities. I have been married to my husband, Jason, for 9 years and we have a 7 year old daughter, Azlan, who is in 2nd grade at Gouverneur Elementary. I am on the Principal's Advisory Council Committee at the elementary school. I volunteer coaching soccer, baseball, Odyssey of the Mind and help with the Happy Helpers 4H club.

I want to represent the communities voice on the school board to ensure great outcomes and equality for all students and staff as well as to ensure school funds are used for the best educational outcome. I will work to ensure that our school serves all students and staff while looking for new ways of doing things that will prepare all of our students with knowledge and skills they will need in the future.

Nickolas Ormasen

As a graduate of the GHS class of 1999 I continued my education at St. Lawrence University majoring in Computer Science and Math. In 2012 I completed my Masters in Information Technology at Clarkson University.

After graduating from SLU I held several positions within the University's IT department. I am currently the Purchasing and Environmental Health and Safety Director at St. Lawrence University.

I am married to Amber Ormasen who has been the middle school art teacher at GHS for 12 years. We have two daughters at GCS, Taylor (16) and Audrey (9). We enjoy country life with our loyal golden retriever, Sampson. During the summer we run our family concession stand at local events serving cotton candy and sno-kones.

As a lifelong Wildcat and parent I have a vested interest in the success of our school. I want my children and yours to be as prepared for the challenges they will face throughout their lives as I have been. Many teachers and coaches that have been influential in my life are still dedicated to GHS and I will take pride in giving back as a trusted contributor to the board.

The perspective gained from my career in higher education will be an asset in matters that implicate the skills needed to be successful at the college level. I also recognize that college is not everyone's chosen path and it's important we provide high quality programming to all students to ensure each can reach their highest potential.

We have dedicated people that with the adequate resources and support can transform GCS into the highest achieving school in our region. The safety of our students remains the highest priority and I commit to continue to work alongside my fellow board members to maintain a healthy balance of resources. It is an exciting time to be a Wildcat and for these reasons, I am running again for the school board. Go Cats!

Laurie Roberts

I am a 1980 graduate of Gouverneur High School. I attended SUNY Geneseo and SUNY Potsdam and earned a BA in Psychology and a Master's Degree in Education. My husband and I have 2 daughters, Taylor and Kirstin, who are also graduates of GHS. This is my 33rd year serving Indian River Central School. I have enjoyed 32 of those years teaching in a 4th grade classroom, and this year, I accepted a new role as a math coach for grades 3-5.

As a parent, I have been very active in the school community over the years. I coached AYSO soccer, youth and travel basketball, and I was one of the organizers and treasurer of the Wildcat Athletic Booster Club. Even though my children graduated years ago, I am still a huge Wildcat fan and attend many sporting contests, musicals, and other events at the school.

As a potential board member, I feel my many years as an educator, involved parent, and past BOE experience will serve as a valuable asset. Throughout my teaching career, I have been involved with a great deal of curriculum development and have implemented a variety of academic programs and assessments, including NYS Common Core Learning

Standards and teachers' evaluation (APPR). In addition to holding a variety of positions such as building president, treasurer, sabbatical chairperson, mentor teacher, and vice-president of the IREA, I have also served as a leader, trainer, and scorer for many NYS Assessments. Serving these roles will certainly enable me to make informed decisions about curriculum, resources, interpreting data, staff, security, finances, and communication.

My idea of being a successful board member remains just as it was in my previous terms. I feel board members are elected to serve as advocates for the educational success of students and should put students' needs and interests first. I believe the BOE helps create the vision, goals, and policies that "run" a school. I feel it is also the job of the BOE to evaluate how the school and its personnel are doing, implementing policies and meeting NYS Standards. I am willing to listen to the district's stakeholders, their concerns, suggestions, praise, and ideas. Finally, when making a decision, I will always keep the students' best interest in mind.

I believe being a parent, volunteer, coach, educator, and taxpayer of the Gouverneur community helps qualify me to become a productive member of the Board of Education. Choosing to live in this community and having my children attend Gouverneur Central was very important to me, as I was raised and educated here. It remains a priority for me that Gouverneur Central offers a safe environment and the best education to this community's children possible. I would love the opportunity to serve as a representative for the school community and its youth once again.

John J. Scordo

I grew up in Watertown, NY and graduated from IHC in 1978. I worked at New York Air Brake for 4 years. I began working at United Parcel Service in 1988 and delivered in Gouverneur and the surrounding areas until retiring in 2016. I am a member of the Gouverneur Fire Department, and avid hunter and enjoy riding my motorcycle. My son, Sean, is 26 years old and is a Physical Education Teacher at Potsdam Central School.

I would like to serve on the Gouverneur Board of Education because since retiring I feel I have the time to give back to this community in which I have lived and worked for the last 25 years.

YOU MAY VOTE ON....

2018-19 Budget Proposition

To adopt the annual budget of the Gouverneur Central School District for the fiscal year 2018-2019 and to authorize the requisite thereof to be raised by taxation on the taxable property of the District \$36,676,839

Election of Three Members to the Board of Education

A drawing for order of placement on the ballot was held April 17, 2018 at 9:00 a.m., witnessed by Ms. Carol L. LaSala and Ms. Tammy Kimok. The candidate names will be listed on the ballot in the following order:

William Hay
Laura Spicer
Nickolas Ormasen
Laurie M. Roberts
John Scordo

ABSENTEE BALLOT

If a voter wishes to receive an absentee ballot by mail, a written application must be submitted to Tatia Kennedy, District Clerk by Tuesday, May 8, 2018. If a voter wishes to pick up an absentee ballot personally, the application must be received by the clerk at least one day before the election. Persons designated by the St. Lawrence County Board of Elections as “permanently disabled” pursuant to the provisions of the election law will automatically receive an absentee ballot.

The absentee ballot must be filed with the District Clerk by 4 PM on the day of the vote, Tuesday, May 15, 2018.

QUALIFICATIONS OF VOTERS

To vote in the Gouverneur Central School District election, a voter must have **ALL** of the following qualifications.

1. A citizen of the United States.
- 2 At least eighteen (18) years of age.
- 3 A resident within the District for period of at least thirty (30) days preceding the meeting at which he or she offers to vote.

There is no pre-registration requirement.

PLEASE TAKE A MOMENT TO VOTE:
TUESDAY, MAY 15, 2018 NOON—8 PM
HIGH SCHOOL AUDITORIUM
(Rear Entrance)
