February 28, 2023

Dear Wildcat Families:

As you know we used our fifth and final snow day on Friday, February 17, 2023. If we are required to utilize additional snow days during this school year, fully remote instruction will be implemented in place of a traditional snow day.

As a reminder, on a remote snow day, students in Pre-Kindergarten, New Beginnings, Kindergarten, and Grades 1 and 2 will be expected to complete a Remote Snow Day packet. Students in grades 3 – 12 will be expected to virtually attend class on a two-hour delay schedule. Classroom teachers have shared expectations with students so they know how to log in and complete work.

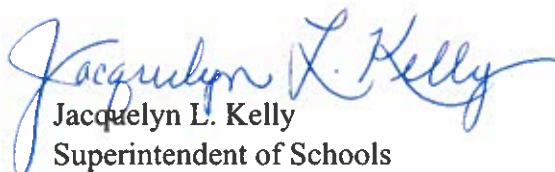

In addition to using the ParentSquare notification system, the district will announce a remote snow day as a “remote learning only” day on local television stations, including WWNY-TV Channel 7 and WWTI 50.

Please refer to the “Remote Learning Protocols” on the district website for more information regarding expectations and requirements when a remote learning day is called due to inclement weather.

If you have any questions or concerns, please do not hesitate to reach out to your child’s teacher or building administrator.

Thank you for your patience while we work to implement this new procedure.

Sincerely,

Jacquelyn L. Kelly
Superintendent of Schools
