"Delivering the Promise of a Brighter Future for Our Students and Community"

Family Communication Chain

2026 - 2027

We are here to help in the Gouverneur Central School District.
Partnering with district families and our community is essential to our success. In the interest of promoting effective communication with our stakeholders, we have developed a chain of command checklist outlining the personnel to contact with a question and/or concern.
This will ensure that questions and concerns are addressed in an efficient and effective manner.
When you contact our district with a question or concern, you will be asked if you have contacted the staff member noted below. If you have done so and did not receive a response or resolution, then you should proceed to the next contact.
